

Art	Intent: To nurture respectful artists that value a range of styles and perspectives by exploring artwork from the past to present day. Our art curriculum encourages our pupils to engage in and enjoy art by looking at a variety of skills and movements. We aim to create experimental artists, inventors and critical thinkers. We make cross- curricular links between art, history and cultures, ensuring our units are both enriching and inspiring.					
	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
FS	Painting	Printing		Collage	3D - Clay	Parade
	THEME: Creating Colour FOCUS: Mixing colours Self-portraits Leaf prints Autumn collages	THEME: Creating Movement FOCUS : Printing Printing fireworks Diwali Lantern making Bonfire night printing		THEME: Creating Texture FOCUS: To glue and paste paper on to artwork like Piet Mondrian	THEME: Creating Shape FOCUS: To mould, cut and roll soft malleable materials such as playdough.
