

Monday 1st December 2025

Dear Parents and Carers,

I'm writing to share some wonderful news about Mundella Primary School. As of 1st December 2025, Mundella has officially become an academy and joined the Peak Edge family of schools. This is an exciting step forward, and we are both thrilled and proud to welcome the school into our Trust.

Why This Matters

For over a year, we've worked closely with Mundella's leadership team and staff, and we've been consistently impressed by their commitment to providing an exceptional education and a caring, inclusive environment for every child. Joining Peak Edge is about building on these strengths and opening up new opportunities for pupils and staff alike.

Academy conversion brings some behind-the-scenes changes, such as updated policies and procedures. For example, there is now a new process for raising concerns or complaints, which you can find on our website. However, the heart of Mundella - the values, culture, and sense of community you know and trust - will remain firmly in place. Our role is to support and enhance what already makes the school special.

What Joining Peak Edge Means for You and Your Children

Becoming part of Peak Edge is about more than just a change in status - it represents a shared commitment to excellence, innovation, and community. Here's what this means for you and your children:

- **Enhanced Opportunities and Resources:** By joining Peak Edge, Mundella will benefit from additional support and expertise. Through collaborative teaching approaches and professional development for staff, we aim to enrich the learning experiences available to your children, ensuring they have every opportunity to thrive.
- **A Focus on Ambition and Achievement:** We believe that every child deserves the very best education. Our mission is to inspire and empower every pupil to reach their full potential. We will work closely with Mundella to maintain and build upon its strong foundation of academic excellence and personal development.
- **A Stronger, United Community:** Peak Edge values the deep sense of community that schools like Mundella have worked so hard to build. We are committed to preserving and enhancing this close-knit atmosphere, where parents, staff, and pupils work together to create a supportive and inspiring environment.

We are excited about the future and the possibilities this new chapter brings. Thank you for your continued support and trust as we work together to make Mundella an even better place for your children to learn and grow.
