

20 October 2025

Dear Parents & Carers,

Friends of Mundella

The Friends of Mundella are looking forward to the Halloween Disco which takes place this Thursday 23 October. Foundation Stage and Key Stage 1 children have their disco from 5.30 - 6.30pm and Key Stage 2 children have their disco from 7.00 - 8.00pm. We hope to see you there!

Parents' Evenings

Thank you to all parents who attended parents' evenings over the last two weeks. It was lovely to see you all and I hope you all found the meetings useful.

'Cut Your Carbon'

One of our school priorities this year is to look at ways in which we can become a more climate friendly school. Attached with this newsletter is a letter from Mrs Sarich which outlines an activity we will be promoting throughout November called 'Cut Your Carbon.' Our school council are actively involved in this and led an assembly this morning to launch the project and give children some ideas as to what they could do. We hope your child will take part in this!

Musical Events

Our Foundation Stage and Y1 children went to the Crucible last week to attend a 'Music in the Round' event. The children were a pleasure to take and had a fantastic time! We also took a group of older children to a musical experience called 'No Bounds Festival.' This was an immersive event where children experienced different types of musical technology that is used in films. They had a great time!

Mundella School: A school which promotes respect and healthy living
and where everyone feels valued and able to reach their full potential

Sporting events

Lots of sporting events have happened recently. We have participated in football matches, tag rugby tournaments and below are a couple of photographs of some Y2 children at the EIS taking part in Sportshall athletics. At all the events, the children have been fantastic and a real credit to the school. Well done all!

Lost Property

We have an unbelievable amount of lost property. We are regularly asking children to look after their clothes as well as asking parents to ensure that clothes have a name in. Despite this, the amount of lost property is quite phenomenal. It will be on the bench in the infant yard on Wednesday and Thursday after school. If anything remains uncollected after Thursday, we will be donating it to charity.

October Half-Term

The children break up for October half-term on Thursday 23 October. I would like to congratulate the children on some fantastic work throughout this half-term. Their enthusiasm for their learning and the quality of work they have produced has been absolutely brilliant. I hope everyone has an enjoyable half-term break. School re-opens again on Monday 3 November.

Yours sincerely,

William Smith
