

A school which promotes respect and healthy living and where everyone feels valued and able to reach their full potential

06 February 2026

Dear Parents & Carers,

Children's Mental Health Week

During the week commencing the 9 February, we will be celebrating Children's Mental Health Week in school. During this week the children will be taking part in a range of activities and assemblies based around this year's theme of 'This is My Place'. The children will be learning about ways in which they can connect with each other and their families, in meaningful, respectful, healthy and rewarding ways.

Young Voices

Last week, our Young Voices choir attended Sheffield Arena for the concert. I hope they all enjoyed this amazing experience. I am told that they were an absolute pleasure to take and all performed magnificently. Well done to all of you! A special thank you to all the staff who supported this event - especially Mrs Stocks who organised it all. Thank you!

Friends of Mundella Disco

We are looking forward to next Friday when the Friends of Mundella have organised a disco. A reminder that the disco for FS/KS1 children will be from 5.30 - 6.30pm and the KS2 disco will be from 7.00 - 9.00pm. We look forward to seeing you there!

I would also like to say a massive thank you to the Friends, because they have recently donated £1500 so that we can purchase new equipment for our playground. This is going to make a significant difference and will enhance the different zones we currently have. Thank you!

Y2 visit of Florence Nightingale

The Y2 children had a special visitor earlier this week! Florence Nightingale came to enhance their history topic and talk to them about the important role she played in making nursing the profession it is today. They all appeared to thoroughly enjoy her visit! Thanks to the Friends of Mundella for paying for this experience!

Sporting Achievements

Many children have taken part in several sporting events recently and performed exceptionally well. Some of the events include: Indoor athletics, climbing events, netball and ice-curling. I would like to congratulate them all for their enthusiastic participation and the quality of their performances. Below is a picture of our netball teams.

Parents' Evening

Hopefully you have received the information for booking a Parents Evening for next term. Here's the link if you still need to book: <https://mundella.schoolcloud.co.uk/>. Please contact the office if you are having trouble booking.

Class Photos

The photographer is in next Thursday (12th February) to take class photos. Please can children come dressed in their school uniform. If your child has PE that day, they can wear their trainers.

Cash Academy

Children in Y3 and Y5 recently benefitted from a visit from the Cash Academy. They took part in an interactive financial education workshop, designed to equip children with real-world money skills. Through immersive role play in a pop-up "Money Town," the children explored earning, saving, spending, and budgeting in a hands-on, memorable way.

February half-term

We break up for February half-term on Friday 13 February and return to school on Monday 23 February. I would like to take this opportunity to wish everyone a very happy holiday.

Yours sincerely,

William Smith
