

Mundella Primary School

Foundation Stage Newsletter Summer Term 2 2026

Our Topic for this half term is: **Out of this world!**

Sun hats & Sun cream - As the weather will be getting hotter please make sure you apply sun cream to your child in the morning before school. Children can bring in their own named sun cream in their book bag. However, they need to be able to apply the cream themselves. Please also ensure that your child brings a named sun hat as we do play outside for long periods of time.

Reports - Reports will be given out towards the end of this half-term and you will also receive your child's Early Years Foundation Stage Profile. Your child's report will inform you of a final summary of their attainment and progress as they reach the end of Foundation Stage.

Transition to Year 1 - All children in FS will move into Year 1 when they return to school in September. You will be informed very soon, who your child's new teacher will be. In order to prepare children emotionally for this change we will be working with the Year 1 teachers on a regular basis. These transition sessions will include Year 1 teachers visiting the children in Foundation Stage for teaching/play sessions and also children visiting their new classrooms and teachers for story/play sessions.

Sports Day - Sports day will be taking place on **Monday 6th July** in the afternoon, weather permitting. We will confirm times closer to the date.

Mundella Parade - Our annual parade will take place on the morning of **Friday 3rd July** (weather permitting) and we look forward to seeing the Mundella Community come together to join in with the procession.

We cannot believe how quickly the year has flown by and would like to thank you for your support and involvement with your child's learning journey! It has been an honour to watch your children grow this year and we have really enjoyed sharing their love of learning and life.

Many thanks,

The FS team ☺
