

Year 6 Newsletter: Summer 2

Welcome Back!

We hope you had a fantastic break and are ready for an exciting half term ahead! With this being the final few weeks for the Y6 children, there are lots of things to look forward to!

Literacy: In our literacy this half term we will read and respond to traditional fairytales, leading up to writing our own which we will share with younger children in school.

Maths: We will continue to recap key maths skills we have learnt throughout the year. We will also continue to sharpen our reasoning and problem solving skills.

Geography: We will be learning about the local area including the importance of the steel industry, why Sheffield grew in size so quickly and local rivers.

Science: Our Science this half term will focus around Micro-organisms and Classification of Living Things. We will learn about the sizes of microbes, the conditions in which they survive and breed, also what are harmful and beneficial microbes. After this, we will build on the knowledge taught previously to sort and classify microbes.

RSHE: This half term, Sex Education will be covered with a focus on 'Growing Up'. A separate letter will be sent to parents in the near future regarding this.

PE: During indoor PE our focus will be dance. Outdoor PE will be rounders.

Art & DT: The children will be using screen printing techniques to create and design artwork. We will develop our sewing skills and turn our screen printing into a cushion cover.

PE: Indoor PE will be circuit training, while outdoor PE will be rounders.

RE: In RE we will be considering how faith can help people through difficult times including beliefs about death across different religions.

Performance: We will spend lots of time rehearsing for our end of year show 'Grimm: Once Upon a Musical'.

Y6 Diary Dates:

Friday 3rd July - Mundella Parade (weather dependent)

Saturday 4th July: School Summer Fayre
