

Year 2 Homework

Here are some homework tasks to complete over the next 7 weeks – the expectation is to do at least one piece of homework to show in our Homework Showcase which will be for children only this term. Remember you can email pictures in the meantime to show us what you've been up to – enquiries@mundella.sheffield.sch.uk

Remember to also keep reading at least 3 times a week!

We have been looking at numbers 10 more and 10 less. Can you start from any number (up to 100) and say/write 10 more or 10 less? 	We will be thinking about 'Friendship' in our RSHE lessons. Design a poster to show how you can be a good friend! 	In P4C we will be discussing Noah's Ark. Can you build a model of an ark? You could use Lego or any craft resources. 	How can we help with the pollution in our oceans? Make a list of ideas or take pictures of things you do at home to help. 	In RE our topic is 'What is the good news that Jesus brings?'. We will also be performing a Nativity. Can you create a Nativty picture? 
Can you make a 3D Christmas tree from your recycling items? 	Write a list of commands (sentences which tell you to do something) to tell someone how to decorate a Christmas tree. Can you use adjectives and adverbs? e.g. Carefully put a twinkling star on the top of the tall tree.	Sensory break fun: Can you make a human capital letter alphabet with a family member? 	Choose a continent and make a fact poster 	Roll 2 dice to make a two digit number – e.g. 34 *write it in words –thirty four *partition it – 30 + 4 = 3 tens and 4 ones *draw it – 
Email us (or bring in) a photo of you making your bed and folding your pyjamas. Extra challenge- can you wash the pots?	Write a list of questions you would ask Father Christmas. REMEMBER PUNCTUATION!	In our DT we will be designing and creating cars using wheels and axles. Design a car, thinking carefully about what they may look like in the future!	Rock out on www.ttrockstars.com Your login details are in your diary.	Make up a song and dance about the oceans and continents to the Baby Shark tune!
