

Year 6 Newsletter: Summer 2, 2021/22

Welcome Back!

We hope you had a fantastic break and are ready for an exciting half term ahead! With this being the final few weeks for the Y6 children, there are lots of things to look forward to! There are also Secondary School transition days happening throughout this half term, which will be on different days, depending on which Secondary School your child will be attending in September.

Literacy: This half term, we will be learning about promotional leaflets, building up to writing our own leaflets about Kingswood! We are also going to be writing our own stories about starting Secondary School. These will be stories with a twist - we are already excited to see the creative ideas the children come up with!

Maths: We will continue to closely follow the objectives from the National Curriculum, as well as focusing on Transition Maths. This will consist of looking specifically at elements of Maths that will prepare the children for life beyond Y6, for example reading timetables and map work, including maps of our new schools and bus timetables.

Science: In Science, we will continue our learning about Living Things and the world around us, specifically studying humans and the changes that happen throughout our lives.

RSHE: This half term, Sex Education will be covered with a focus on the topic of 'Growing Up'.

PE: This half term during indoor PE our focus will be dance while in outdoor PE we will be playing rounders.

Art: The children will be using screen printing techniques to create a wall hanging as their final piece of artwork.

Computing: During our computer lessons the children will be building on their previous coding knowledge and skills using the BBC micro:bits!

Class Twitter:

Please follow our class twitter pages!

Miss Bould: @MundellaBats

Miss Blakemore: @MundellaBears

Homework:

We would like children to read at least 3 times a week. Please record the name of the book and the pages read in the reading diary. Please can this be signed by an adult and brought into school every **Monday**.

For the Homework Project, at least one piece of work needs to be completed. Homework Showcase will take place in the last week of half term. It can be brought into the classroom or be photographed and tweeted

PE Days:

All Y6 children have PE on the following days:

*Monday—Indoor

*Friday—Outdoor

The children should come to school in appropriate PE uniform to enable them to participate in PE lessons. The expectation will be that children wear a white t-shirt, black shorts/tracksuit bottoms and a black jumper as well as trainers on their PE days.

Please also make sure your child has a water bottle in school every day. As the weather gets warmer, please wear sun cream and bring a hat too!
