

17 July 2023

Dear Parents/Carers,

This will be the last newsletter of the academic year and there are several things that I would like to celebrate and share with you.

### Y6 Production of 'The Jungle Book'

I am sure that all of you who saw the children put on this performance will agree that they were brilliant! There was some fantastic acting and beautiful singing - I certainly thoroughly enjoyed watching them. I would like to thank all the children for their hard work in putting on a memorable show. Thanks too to the teachers and teaching assistants who worked incredibly hard to ensure the performance was of such a high quality. Well done to all involved!

### End of year reports

You should have received your child's report on Friday. Please can you acknowledge receipt of this by completing this link: <https://forms.gle/vojb3XkQGXXkKAgdh7>

Mundella School: A school which promotes respect and healthy living  
and where everyone feels valued and able to reach their full potential

### **Women's World Cup – Non-Uniform Day**

The Women's World Cup starts this Thursday 20 July and to commemorate this, we are having a non-uniform day and suggesting that the children dress up in red, white or blue.

### **Parking**

Despite this being the last newsletter of the year, I still find it necessary to write to parents and grandparents about poor and inconsiderate parking. Last week there were two near misses – one on Mundella Place and one on the zebra crossing. The incident on the zebra crossing was partly caused by cars parking on the zig-zag lines which makes it difficult to cross the road safely. Please do not park on zig-zag lines! We consistently ask parents NOT to drop children off on Mundella Place – partly out of respect to the residents and partly because there is so little space to actually park. What happens is several parents drop their children off on the yellow zig-zag lines which is illegal and unacceptable. Please do not do this!

### **INSET Days for 2023-24**

School will be closed for staff training days on the following dates: Monday 4 September 2023, Friday 20 October 2023, Monday 3 June 2024 and Monday 22 and Tuesday 23 July 2024.

### **Y6 children**

It is also time to say a fond farewell to our Y6 children. They have had a fantastic final year and it has been an absolute pleasure to say how much they have grown and developed during their time at Mundella. They can be very proud of what they have achieved during their time here. I know that they are well prepared for secondary school. Well done to all of you for a fantastic final year and good luck for the future from all the staff.

The Y6 Leavers assembly will take place on Wednesday 19 July at 1.30pm and Y6 parents are warmly invited to this.

### **Finally...**

At the end of every year, I always want to express my thanks to all parents for the support you have provided to the school and your child. This year is no exception – the partnership between home and school is such an important one and I know parents work extremely hard in many ways to support the school and ensure your child achieves their potential. Thank you all for your invaluable support. The school has had a very successful year in many respects and that would not be achieved without the positive relationships between home and school. Thank you.

We break up for the summer holidays on Thursday 20 July and school re-opens again on Tuesday 5 September. On behalf of all the staff I would like to wish everyone an enjoyable summer.

Yours sincerely,

William Smith
