**Compose music** - Enhance and grow the creative mind musically and beyond.

The children will receive tailored tuition and will learn varying styles of music with a highly qualified and experienced visiting music teacher who is enhanced DBS checked. Children will form bands and ensembles with their friends creating music and developing their skills throughout the academic year. Exam routes are also available, and children who would like to take exams are encouraged to do so. Our lessons are an approved learning destination with Children's University and the first lesson for new starters is free of charge. If you would like to sign your child/children up to the music lessons, or require more information, **please contact [info@cadenza4kids.org](mailto:info@cadenza4kids.org) or fill in the online contact form on the website at the nearest opportunity.** Places will be allocated on a first come first served basis and are subject to limited availability, certain types of tuition may not be offered if there is an insufficient level of interest.

We look forward to hearing from you soon to sign up!

Yours sincerely,

Mr Jamie Brown
