

# Year 3 Homework - Summer Term 1 2024

Here are some tasks to complete over the coming weeks. Remember to also keep reading 3x weekly.

Our homework showcase is on **Thursday 23<sup>rd</sup> May 2024** and it will just be for the children in class this half term.

In preparation for our story Fantastic Mr Fox, choose an animal of your choice to describe. Use these websites to help [here](#) and [here](#).

Rock out on Times Table Rockstars. Can you master your 4s & 8s? Make a game of snap for multiplication questions and their answers.

$1 \times 8 = 8$	$6 \times 8 = 48$
$2 \times 8 = 16$	$7 \times 8 = 56$
$3 \times 8 = 24$	$8 \times 8 = 64$
$4 \times 8 = 32$	$9 \times 8 = 72$
$5 \times 8 = 40$	$10 \times 8 = 80$

Practise your orienteering skills! Draw your own bird's eye view map of your house or garden. Use the map to locate places (or hidden treasure) around your home.

Visit a new place in Sheffield with your family.

This could be a park, a natural trail, or an outdoor café. Write your own 'review' of the experience and rate it out of 5 stars. Would you recommend it?

**Tripadvisor**

In preparation for our visit to The Yorkshire Sculpture Park, research different sculptures, draw your favourite and write a little about it.

Play with natural sources of light versus artificial sources of light. Can you tell a story through shadow characters?

On a sunny day, draw around a shadow and turn it into a piece of art!

Complete the human sundial shadow science experiment [here](#).

In preparation for your computing lessons, explore 2Code activities on Purple Mash [here](#).

What do you do at different times of the day and how long do those activities take? Create your own timetable and keep track of your daily activities by practising reading and recording the time. For more activities visit [here](#).
