

01 July 2024

Dear Parents & Carers,

Staffing Update

I am delighted to inform you that Mrs Wetherill is pregnant and expecting her first child in December. This is lovely news and I am sure you will all join me in offering her congratulations! Mrs Kleeli is also pregnant and expecting the birth of her second child in December. Again, this is brilliant news!

Open afternoon and transition morning

A couple of weeks ago, the children all went into their new classes for September and met their new teacher. The teaching staff thoroughly enjoyed meeting the children and we will be doing this again on Thursday 4 July in the morning. Children will come into their usual class in the morning to be registered and we will swap over shortly after that.

A reminder that it is an open afternoon tomorrow, Tuesday 2 July, from 3.30 - 4.30pm, where parents and children can come into school, see their new classroom and meet their new teacher.

Parade

Our Parade is due to take place this Friday the 5 July. We are aiming to assemble in the Playground at 9.20am and leave at approximately 9.30am and make our way to Norton Lees Care home. After visiting the Care home we will return to Mundella and perform some songs in the infant playground. Hopefully, the weather will be kind to us, but, at the time of writing this letter, the forecast is not too promising. If we need to postpone the event, we will inform you as soon as possible in the morning and inform you of a new date.

Friends of Mundella

We would like to say a big thank you to Amy Scholes who raised £470 running the Sheffield Half Marathon for Friends of Mundella. This money has been used to buy two new sets of Beebots. These will be used by all the children in our Programming Computing lessons! I know the children are already looking forward to using them! Thank you.

Summer Fayre

The Friends of Mundella are incredibly busy at the moment, preparing for our Summer Fayre which takes place this Saturday 6 July from 1.00 - 3.00pm. There are lots of different stalls and exciting activities for you and your child to enjoy. It would be lovely to see you there!

Sporting achievements

Once again, I need to say a massive well done to lots of children for participating in several sporting events recently. Some children have taken part in Crown Green Bowling, athletics events, cricket tournaments and a colour run, which, as the pictures show, looks like they all had good fun!

School Meal Prices

Sheffield City Council have just announced the cost of school meals for September 2024. A school meal will be **£2.60 per day and £13 for a week**. We would like to remind parents to clear their dinner debts before we break up for the summer holidays.

Yours sincerely,

William Smith
