

# Year 4 - Autumn 2 - Homework

This half term our focuses are **bread making (design & technology)** and **electricity (science)**. We will also be focusing on **Hinduism** and their beliefs in God (**religious education**). The children can complete any activities at home to count as homework, however here are some suggestions of tasks to do. We would like everyone to complete at least one piece of homework before the Homework Showcase. You will be showcasing your homework in the last week before Christmas so remember to keep anything you do! Also, remember to **KEEP READING** 3 times a week at home!

<p>Can you create your own science book to explain all about <b>electricity</b>? You can include questions and interesting facts!</p> 	<p>Rock out on Times Table Rockstars. Can you begin to master your 9s &amp; 12s?</p> 	<p>Can you create a quiz to showcase all your learning from this half term? You could include some true or false questions.</p> 	<p>Write your own spooky story using some of the tension and suspense techniques we have practised in our literacy lessons.</p> 	<p>Create an informative poster or leaflet about Hindu gods.</p> 
<p>Create your own multiplication and division quiz for a friend.</p> 	<p>Can you use the internet to research about making bread. You could put it into a PowerPoint.</p> 	<p>Paint a picture to show us your favourite weekend of this half term. What did you do?</p> 	<p>Design a safety poster to inform people of the hazards of electricity. You could add tips to help keep them safe.</p> 	<p>Create your own set of instructions (recipe) for baking bread.</p> 
<p>Write your own Christmas song. You could even film yourself performing it and email it to us.</p> 	<p>Try a new sport at the park with friends. What are the rules?</p> 	<p>Find all the electrical items around your house and create a poster to display them.</p> 	<p>Taste different breads and score them out of 10 - Which one is your favourite and why?</p> 	<p>Learn a new skill and show it to your friends and family.</p>
