

Dear Parents & Carers,

Challenge 2025 - Organised by Friends of Mundella

I must start this newsletter by saying how amazed, impressed and overwhelmed I am with the children's efforts for Challenge 2025. There were some remarkable efforts by so many children. We had sponsored bike rides, scooter rides, silences and walks along with litter picking, washing cars and baking sales to name but a few. The Friends of Mundella raised a record amount of money thanks to parental help and children's efforts. A huge thank you to everyone who participated. I am delighted to say that the overall total raised was **£6,700** - a truly phenomenal amount. Thank you!

Lost Property

Once again, we have a truly phenomenal amount of lost property. We have managed to return several items that had children's names in, but there is still a substantial amount left. It is currently all bagged up in my room ready to be taken to a charity shop. It will be taken on Friday 16 May - if anyone wants to collect items before then, please do come and visit my office.

Sporting achievements

Some Mundella children have been extremely successful in recent sporting competitions. A team of children recently went to an orienteering event and, our Y3/4 girls team came first, our Y3/4 boys team came first, our Y5/6 girls team came first and our Y5/6 boys team came first. Pretty impressive! We also took some children on the cycle speedway track at Graves - they were a pleasure to take and performed really well. Finally, some Y1 children attended a cricket festival and a brilliant time. Well done to all the children that have taken part in these events!
